Prepare. Plan. Stay Informed. ®

Emergency Supply List

FEMA's Ready Campaign educates and empowers Americans to take some simple steps to prepare for and respond to potential emergencies, including those from natural hazards and man-made disasters. Ready asks individuals to do three key things: get an emergency supply kit, make a family emergency plan, and be informed about the different types of emergencies that could occur and appropriate responses. Everyone should have some basic supplies on hand in order to survive several days if an emergency occurs. This list of emergency supply kit items is only a starting point. It is important that individuals review this list and consider the unique needs of their family, including pets, for items to include. Individuals should also consider having at least two emergency supply kits, one full kit at home and smaller portable kits in their workplace, vehicle or other places they spend time.

Ready.

CHOIR / MUSIC MINISTRY

Saint Hilary's is home to one of the area's only pipe organs. We are pleased to offer a wide selection of traditional music every week at our Sunday morning Rite II service, as well as on Feast days and at special celebrations. It's always a treat when brass players join our choir for Easter and Christmas Lessons and Carols services!

Our sanctuary hosts multiple concerts each year in support of our local musical arts community and our music wing provides a rehearsal space for the Fort Myers Symphonic Mastersingers' Intermezzo choir and the City of Palms Youth Choir.

We invite you to join us as we *"Make a joyful noise to the Lord, all the earth, break forth into joyous song and sing praises!" (Psalm 98:4)*
